

THE SIGNATURE HARLEY STREET FACIAL

RESTORE, FORTIFY, HEAL

60/90min

A high-performance facial formulated with powerful antioxidants to neutralize free radical damage, and to repair irritated skin. This double clinical cleanse treatment, with deep tissue muscle massage, harnesses the 111SKIN signature NAC Y2 complex – our original Dramatic Healing Serum formula - to strengthen and restore skin's lipid barrier and prevent further inflammation. Using a combination of restorative ingredients from our Reparative Collection, the facial also targets skin issues such as dehydration, sensitivity and rosacea for skin that feels and looks calmer and deeply hydrated. Option to add LED red light therapy after essence, massage or masking, to increase circulation, reduce inflammation, stimulate collagen, and calm the skin. This will accelerate the skin's healing process.
